A Senior Secondary School Affiliated to the Central Board of Secondary Education, Delhi

Affiliation No.: 3430165

Managed by: DAV College Managing Committee, New Delhi - 110 055

Swami Dayanand Saraswati

The founder of the Arya Samaj and the great path-maker of modern India

Mahatma Hansraj

Who fulfilled his pledge of 25 years honorary service as first Principal of the first DAV College at Lahore

DAV Movement

DAV Movement founded in 1885 is the largest Non governmental educational organization in the country, managing over more than 920 educational institutions imparting quality education to more than 7 lakh students in India and abroad. DAV institutions have rendered a unique service, not only in dispelling ignorance and illiteracy but also in producing Patriots, Freedom Fighters, Social Reformers, Intellectuals, Legal Luminaries, Doctors and Engineers of unparalleled merit, integrity and caliber. This movement is committed to the task of eliminating disparities in the educational system and provision of more facilities through qualitative interventions, empowerment of women, access to education to the disadvantaged sections of the society.

The Vision

The DAV has a clear-cut vision :

- ❖ To continue expanding and exploring, locally and globally and be a knowledge leader and content provider.
- ❖ To muster strategies to become a global epicenter of knowledge, culture, skills, technology, research and service.
- ❖ To empower women through education.

President's Message

New Frontiers of Success

It is not difficult to imagine why for many, school is the best time of life. The childhood and adolescence bloom in this period, setting the stage for a lively youth ahead. No matter how much you complain about the assignments and examinations, you know that this is the time when almost every day is a wonderful memory. When students pass out from DAV, we bid them goodbye with our best wishes, extending an ever-lasting support and hoping to see them again soon. To my utmost pleasure, I get to see them soon in popular dailies, newspapers and magazines. As toppers of various competitive exams, setting new benchmarks and scaling new heights, our DAVians never cease to inspire and be admired.

This year too, DAVians have successfully sailed through some of the toughest examinations and have headed to the new frontiers of success, where they will be trained to gain expertise and special knowledge to further serve the world at large. As Doctors, Bureaucrats, Engineers, Scientists and in many other integral roles, the world will have a new force of energetic professionals and thus, Maharishi Dayanand's dream will be realised.

It is on these occasions that the years of school's work on students truly pays off. Some of these exams are multi-tiered and also involve interviews. Besides the theoretical knowledge, their impressive performances in personality tests is a solid proof of the adequate grooming they have received in the school. Not just good scores or active participation in extra-curricular activities, DAV's continuous emphasis on character building and moral education makes them all the more deserving.

The world has grown to become more and more competitive by the day. While it is unfortunate to see that sometimes this burden becomes too heavy for our children to bear, as an educator I believe, the remedy lies in making our students strong enough to combat any challenge. So instead of getting intimidated by the number of applicants or the scale, engage with it head-on. I am happy that results bring forth the same trait of our DAVians.

Having said that, the new frontiers of success are not limited to success in competitive exams alone. They extend much beyond that. Those who fail to make the cut are in no way a failure. As we know it, all methods of selection cannot claim to touch upon individual interests and talents. A brilliant singer, dancer, or someone harbouring great potential for entrepreneurship will be passing different tests in life.

Success is not a one stop destination. It is an ongoing process. Man has made physical boundaries in the world but in life, the frontiers can be continually pushed to discover new ones. That is why the curiosity and the urge to keep trying should not die. Even when one finds fruition in one's attempts, complacency should not set in. The new frontiers of success are as endless as the possibilities in which we can serve the society and our nation. Continue exploring those possibilities!

Om Shanti!

Punam Suri

President, DAV CMC

About The School

S S DAV Centenary Public School, Khunti is a Senior Secondary, co-educational, School. The School has on its rolls around 2000 students. The school is known not just for its academic excellence, but for excellence in sport, music and art, innovations and drama. Our success is founded on placing our pupils and staff at the heart of everything we do. We inspire our students to give priority to serving the interests of other people first.

The school has 4 grand and beautiful buildings comprising Class rooms, Administrative spaces, Library, Computer and Science laboratories. The campus is spread over about 6.21 acres of land. The CBSE results of Secondary and Senior Secondary (+2) in the year 2016 were excellent. We are confident that these students will not only excel in their future assignments but also be morally upright and honest.

We believe that differentiated modalities of teaching and learning are necessary to implement deeper levels of growth and conceptual development. It is our responsibility to employ a variety of opportunities for the students to gain interests, orchestrating academic growth and progression throughout childhood and adolescence. To keep such view, the Smart learning has been introduced in our school from the present session. The concept of Smart classroom will not only make education interesting but will also provide a chance to the students to enhance their performance.

Message from the Principal

Dear parents

The function of a school is not only to make the people knowledgeable but also to make them well cultured. Dr. Radhakrishnan has rightly said that “a civilization is not built of bricks, steel and machinery, it is built with men, their quality and character.” So we want our students grow as a morally upright persons. The education imparted in DAV schools aim at developing the personality and character of the students through a perfect blend of modern education and the Vedic values. These values actually form the core foundation of India's culture and rich heritage. The school has set a new paradigm by establishing the Atal Tinkering Lab (a space of more than 1500 Sq. ft.) for innovations with Mechanical, Electronic and Robotics, Internet of things, Soldering, Programming, 3-D Printing and Drilling workstations in addition to the theatrical seating arrangement for 30 persons for Power Point Presentation/films through LED projector. 10 classrooms have been converted into SMART CLASSROOMS with installation of IDIC (Integrated Digital and Interactive Classroom) Boards and panels connected to servers. We have also introduced the cashless system of fee payment through POS machines and providing the online Payment Gateway. We hope that you will continue to give your support in the new session so that we can script new paradigms of success through the children of the school.

T.P. Jha
Principal

Teachers

The teachers are the most important resources in our school who ensure that children in the school receive the best possible education and learning. They follow students through each pivotal stage of development by constantly guiding them, listening to their problems, answering their questions, and teaching them about each phase of life. The school has a healthy, dynamic and conducive environment for teaching learning process facilitated by highly competent and well-experienced teaching staff who apply modern techniques and skills of teaching.

We are extremely proud to have them with us.

Admissions

The Registration forms for new admission are available on school's website from the last week of December every year and selection is made on the basis of a child's capability to pursue the prescribed course of studies. For admission to LKG, the child must be more than 3 years, but less than 4 years old as on 1st April of the year of Admission.

Home-School communication

We believe that good relationships and close liaison between home and school will help the pupils to succeed. Parents are always expected to have a regular contact with the school to keep a check on their child's progress. The parents are welcome to visit at any time, although it will be helpful if an appointment is made.

Behaviour and discipline

At SS DAV Centenary Public School Khunti, we seek to create an environment that addresses the behaviour of all students, including such students who need individualized support. We aim at promoting and supporting the behavioural success of all students, but any pupil who disrupts the education of others or behaves in a challenging, aggressive manner will be directed to the Principal, and a disciplinary action will be initiated against him/her.

Merit system

Celebration is a regular feature of our curriculum. Pupils are applauded for their achievements during assembly time. At the end of the session, the top merit winners receive individual awards for achieving merit 'milestones'.

Attendance

It is mandatory for the students to have 75% attendance for promotion to the next higher class and the same percentage of attendance is also essential for appearing in CBSE Board Examinations. Parents are requested to intimate the school in advance if the child is going to be absent. A parental letter, stating the reason for absence (along with a fitness certificate in case of illness), is required when she/he returns.

The Senior Secondary Section

The Senior Secondary section of our school offers admission to Class XI strictly on the basis of Merit with following subject combinations:

Science Stream		
	PCM Group	PCB Group
1	English	English
2	Physics	Physics
3	Chemistry	Chemistry
4	Mathematics	Biology
5	Physical Education	Physical Education
6 th Paper		
6	Computer Science	Economics

Commerce Stream	
1	English
2	Hindi
3	Accountancy
4	Business Studies
5	Physical Education
6 th Paper	
6	Economics

Curriculum

SS DAV Centenary Public School is committed to providing pupils with a broad, balanced and elegant curriculum, designed to ensure that the school meets its overall aims. The curriculum focuses on areas whereby pupils acquire the skills, competences, knowledge and attitudes, which are particularly important in developing personal autonomy.

The curriculum and books from Nursery to Std. VIII are designed by DAV Education Board, New Delhi on the basis of NCERT Syllabi and guidelines. Students from Nursery to Std. IV have to study two languages i.e. English (Compulsory) and Hindi (2nd Language). Students from Std. V to Std. VIII study three languages i.e. two as given above and Sanskrit as the third language. The other subjects are as per NCERT/CBSE syllabi. The syllabi are available on school website.

For Secondary and Senior Secondary Levels, we follow the syllabi of the Central Board of Secondary Education, Delhi. The medium of instruction is English.

Teaching Strategies

The school maintains that good teaching is characterized by a variety of teaching and learning techniques. As such, teaching is based on a range of strategies so devised that they best meet pupils' individual needs. A great emphasis is placed on working with individual children, at their own level. The children are given

opportunities to let their expressions have exposure to real life situations and their innate capacity is developed through co-curricular activities viz. excursions, SUPW, debates, declamations, dramatics, quizzes etc. to strengthen their mental faculty.

Reading for Enrichment

One of the greatest gifts we should give to children is the ability to read. We believe that reading should be an enjoyable activity and our approach to reading is based on this. We encourage pupils to read on a daily basis. As a school we are

continually trying new reading material to match the wide interests and abilities of our students.

Physical Education and Sport

Physical Education and Sport at SS DAV Centenary Public School, Khunti aims to enhance the overall education of its pupils by encouraging confidence in their own physical ability, and promoting an understanding of the values and benefits of exercise and its contribution to a healthy lifestyle. It seeks to build self-esteem through the development of physical competence and the experience of achievement and satisfaction in physical activity. It further aims to develop appropriate attitudes towards success and failure, and promote interpersonal skills and a sense of community, in particular co-operation, team spirit and sportsmanship. The school has a purpose-built Sports Room well equipped with playing tools especially in the following fields: Hockey, Volleyball, Cricket, Badminton, Archery etc.

Computer Education

The school has a well equipped Computer Laboratory with LCD Projector and white boards. The students are trained in basic skills and techniques of Computer.

Science

The purpose of science education at SS DAV Centenary Public School, Khunti is to introduce students to the key features of how scientists understand the material world. It emphasizes in to train students to use their knowledge addressing scientific problems. A broad knowledge and understanding of the natural and physical sciences will support their independence in society and their life long learning.

ATAL Tinkering Lab

Atal Tinkering Lab was formally launched in our school on 12th February by Hon'ble S.P., Khunti, Shri Ashwini Kumar Sinha, IPS in the benign presence of Shri S. K.Luthra ji, Regional Director, DAV Public Schools, Jharkhand Zone-F and Shri M.K.Sinha Ji, Assistant Regional Director, DAV Public Schools, Jharkhand Zone-B.

ATL will give the students an opportunity to shape their ideas through hands on do-it-yourself mode, getting a chance to work with tools and equipments to understand the concepts of Science, Technology, Engineering and Maths. The lab is enriched with educational kits and equipments on science, electronics, robotics, open source microcontroller boards, sensors, computers and 3D printers. ATL aims to foster design mindset, computational thinking and adaptive learning among students through competitions, exhibitions, workshops and lecture series at regular intervals.

Smart Classrooms

This year 10 classrooms have been converted to Smart Classes to provide quality education to students by helping them in better concept formation, concept elaboration, improvement in reading skills and academic achievement. The Smart classroom learning approach will motivate learners towards higher levels of understanding by building background knowledge, processing information, transform their learning into products which shows what they know and reflect on their learning.

Creative arts & Co-curricular activities

At SS DAV Centenary Public School, Khunti we always make an effort to enable all pupils to take part in the creative arts - art, music, dance and drama -at their own level. The school aims at developing each child's capabilities and in-born talent to the fullest. For that co-curricular activities are arranged as per the CCA Calendar.

Moral and Value Education

- ❖ The school encourages pupils to consider the importance of the following values :
- ❖ Respect and value of self and others
- ❖ Understanding and sensitivity towards the needs and views of others
- ❖ Responsibility for one's own actions
- ❖ Responsibility to school, family and the wider community

To inculcate moral values in the students, the school starts each working day with the morning assembly with the recitation of Vedic mantras, devotional prayers and thought for the day. Stress is laid on the universal aspects and eternal values of Indian culture. Short talks are given by the students and the teachers on a variety of subjects and important current events. Every morning, the assembly disperses after the National Anthem. Hawan is performed every Saturday and Dharma Shiksha books are prescribed to educate the students in moral values.

School Uniform

Summer Uniform	
Boys	
LKG to Std I	Half plain shirt & Nicker with gallace check
Std II onwards	Half plain shirt and full pant
Girls	
LKG to I	Half sleeved shirt with hand frill with skirt gallace skirt
II to IV	Half sleeved shirt with hand frill with DAV check tunic
V to VII	Half sleeved shirt front frill hand frill with check divided skirt
VIII to XII	Salwar Kameez with attached jacket, socks, belt, shoes
Winter Uniform	
Boys	
LKG to Std I	Full sleeved shirt, trousers with gallace check and machine knit pullover, socks, shoes, belt
Std II onwards	Full sleeved shirt, trousers and machine knit, pullover, socks, shoes, belt
Girls	
LKG to I	Full sleeved shirt with hand frill with skirt gallace skirt and machine knit pullover, socks, shoes, belt
II to IV	Full sleeved shirt with hand frill with DAV check tunic and machine knit pullover, socks, shoes, belt
V to VII	Full sleeved shirt front frill hand frill with check divided skirt and machine knit pullover, socks, shoes, belt
VIII to XII	Salwar Kameez with attached jacket and machine knit pullover, socks, belt, shoes

Personal Possessions

Parents are requested to take note of the fact that the school does not accept responsibility for the loss of, or damage to, pupils' personal possessions, and they are strongly advised not to bring anything of value into school. Any pupil ignoring this advice, therefore, does so at his/her own risk. Valuable items such as personal electronic equipment must not be brought into school.

Illness during the School day

If a pupil falls ill during the school day and is considered unfit to continue lessons, parents will be contacted for taking the pupil concerned home. If a parent suspects that his child has an infectious illness she/he should not attend school until 'cleared' to do so by a General Practitioner.

Mobile Telephones

Mobile telephones are not to be used in school, under any circumstances. Pupils may have access to a school phone in an emergency.

Jewellery

The only jewellery that may be worn in school is either stud or small hoop earrings for girls (one in the centre of each lobe). No other jewellery may be worn.

Hair Styles

It is a part of the school's Dress Code/Uniform Standard that pupils attending the school should wear a 'reasonable' hairstyle.

School Transport

The school provides bus facilities to its students only on selected routes. The charges per pupil per month or any part is given in the fee schedule. A schedule of the charges is available with the School Office. Bus fees are to be deposited as per the fee schedule. The students availing the school bus facility can't apply for its withdrawal in between the session.

Fee Structure (Session: 2018-2019)

1	Registration Fee	₹300.00(Once only)
2	Admission Fee	₹5000.00 (Once at the time of admission only)
3	Tuition Fee (monthly): LKG & UKG	₹1380.00
4	Tuition Fee (monthly): Std. I to Std IV	₹1450.00
5	Tuition Fee (monthly): Std. V	₹1510.00
6	Tuition Fee (monthly): Std. VI to Std VII	₹1725.00
7	Tuition Fee (monthly): Std. VIII	₹1885.00
8	Tuition Fee (monthly): Std. IX to Std X	₹1930.00
9	Tuition Fee (monthly): Std. XI & Std XII (Science)	₹2875.00
10	Tuition Fee (monthly): Std. XI & Std XII (Commerce)	₹2645.00
	Annual Charge	₹2000.00 (Annually)
	Pupil Fund + Exam Fee etc.	₹3000.00 (Annually)
	Pupil Fund + Exam Fee + Science fee etc.	₹3300.00 (Annually)
	Pupil Fund + Exam Fee etc.	₹3000.00 (Annually)
	Pupil Fund + Exam Fee + Science fee etc.	₹4000.00 (Annually)

Please Note

- ❖ Fee counter will remain open from 8:00 a.m. to 1:00 p.m. on all working days. The counter will remain closed on the second and fourth Saturday of every month.
- ❖ The Fee must be deposited before the 15th of every month. The defaulters will have to pay a fine of Rs.10/- for each month. If the fee is not deposited for two consecutive months, the name will stand struck off the rolls and readmission may be considered after the payment of fee dues along-with re-admission charge of ₹50/-
- ❖ Only the parents and guardians are expected to deposit the fee at the fee counter.

Examinations and Tests

The school follows CBSE scheme of examination for students up to Senior secondary level.

The Examination/Tests Calendar and the CCA Calendar for the Year 2018-2019 given in this Brochure have been prepared giving due importance to both Academic and Co-Scholastic areas.

Half Yearly Examination: September, 2018

Pre-Board Examination of Classes VIII, X & XII: January 2019

Annual Examination: February-March, 2019

House System

Like all other public schools, we also follow the House System. Our students are divided into four houses: Dayananda, Hansraj, Shradhananda and Vivekananda.

Each house is managed by a House Master/Mistress with associates. Activities are organised throughout the year and at the end of the year, the House which excels both in academics and co-curricular activities is awarded the Champions Trophy.

Personality Development

Experts are invited to deliver talks on personality building. Guidance and counseling programmes are also organised frequently.

Personal File

The school maintains an individual file for all its students to have a systematic record for the academic as well as co-curricular progress and achievements.

Identity

The Student Identity Card as well as the child's identity page in the diary bearing a passport size photograph and the address of the student with contact no. will remain in his/her custody all the time.

Bus Rules:

- ❖ All the students using the School Bus are expected to be on the right side of their bus stops at least five minutes prior to the arrival time of the bus.
- ❖ The buses will not wait for the late comers.
- ❖ The children should stay away from the main road until the bus arrives.
- ❖ No student should come near the entry door of the bus until it has made a complete stop.
- ❖ The drivers are authorised to stop buses at the designated stop only, unless otherwise directed by the bus-in-charge for any deviation. The list of stops is prepared keeping in view the convenience and safety of all the riders and is always subject to change.
- ❖ When the bus is in motion, the students must not move around in the bus. The riders must not have any part of their body out of the windows.
- ❖ Objects of any kind must not be discarded inside or thrown out of the bus.
- ❖ Discarding of trash or food either inside or outside the buses is not permitted.
- ❖ Shrieking, shouting, or any other kind of unruly behavior is strictly prohibited. Courteous behavior is expected at all times.
- ❖ The driver's attention must not be distracted for any reason.

Safety and Surveillance:

Safeguarding the well being of all students and staff is a primary concern for schools today. A properly installed security system of school security cameras is an important tool for ensuring safety on school grounds.

Almost 80 CCTV cameras have been installed in the school to maintain safety inside and around the campus. This has not only played a key role in reducing misbehavior among students but also helped in ensuring discipline and punctuality among them.

CCA CALENDAR FOR THE SESSION: 2018-2019

Date	LKG-II	III-V	VI-VIII	IX-XII
